

### Seasoned expert to spearhead Aquin's UK expansion

*New Vice President International Sales brings a wealth of industry expertise on three continents and aims to raise the profile of Aquin's compliance suite. New UK office will facilitate expansion.*

Frankfurt/Main, May 29<sup>th</sup>, 2007 – The Aquin Components Group, a leading European software provider for asset management and fund industry solutions, has a fresh face in charge of its international sales operations – fresh to the company but certainly not to the industry. **Pat Dolan**, the newly appointed **Vice President International Sales**, has a clear mandate to raise the visibility of Aquin's suite of professional compliance solutions. Based at Aquin's smart new premises in London, Dolan will focus especially on ramping up sales in the UK, North American and Asian markets.

"I relish this new challenge," Dolan affirms. "I'm confident that my experience of scaling sales operations into Europe, Asia and North America will be invaluable in my new job. My aim is to underscore the high value status of the Aquin suite in these markets."

The new Vice President International Sales joined from GoldenSource Corporation, where he was Vice President Sales & Marketing EMEA and Asia. With his extensive market experience, Pat Dolan has led the global sales activities at a string of companies, including Strategic Communications Software plc, Cognotec, Inc., Dow Jones, Inc., and Standard & Poor's.

#### About Aquin

Aquin Components GmbH is one of Europe's leading software vendors for international asset management and the fund industry. Aquin's core competencies comprise investment compliance, risk monitoring, order management, data management, legal and customer-specific reporting, depository bank reconciliation, NAV checking, as well as the management of sophisticated software integration projects. In addition to its headquarters in Frankfurt am Main, Aquin operates branches in Dublin, London, Luxembourg, New York, Paris, and Zurich.
