

Aquin Components with new Benelux Regional Manager

Appointment of Pierre Servais supports Aquin's continuous international growth

Frankfurt am Main/Germany, June 15, 2006 – Frankfurt-based Aquin Components GmbH, leading vendor of IT solutions for the international investment management industry, today announces the appointment of Pierre Servais (45) as new Benelux Regional Manager. Pierre will be responsible for market development in Luxembourg, Netherlands and Belgium and will be based in Aquin's Luxembourg office. "The appointment of Pierre Servais once again underlines Aquin's strong commitment to international growth", comments Götz Bernhardi, CEO of Aquin Components.

Pierre Servais spent over 17 years in leading positions in the financial segment of the IT industry. He joins Aquin from Misys Banking Systems, a UK-based global software supplier to the banking industry. There, Servais held several roles, most recently as Country Manager and Regional Sales Manager for Benelux and France. In this position he was responsible for sales, operations and customer services.
